DELIVERYTERMS & CONDITIONS - DELIVERYTERMS & CONDITIONS

Terms of sales, delivery and payment of S&B Beschläge GmbH

1. General terms

For all merchandise sale are valid only our terms of sales, delivery and payment except in case of written and agreed deviations to this. In contrary terms and conditions of the buyer are excluded also if we haven't contradicted explicit to it.

2. Offers

Offer are always reserved to alteration. All measurements in our catalogue and brochures are not binding. We reserve the right of model tolerances due to technical or production reasons. An order is accepted only if the seller confirmed in written form or goods are delivered. All contracts arranged from the sellers representatives and additional agreements need a written confirmation to be effective.

3. Terms of delivery

Deliveries are executed ex works at buyer's own risk excluding packaging. Delivery dates are not binding except they are confirmed explicit from us in written form. In this case of default of delivery at sellers fault a suitable extended delivery time need to be agreed with a minimum of three weeks. If this period has expired unsuccessfully it's the buyer's right to withdraw from the contract in written form.

In case of force majeure, production interruptions or difficulties in sourcing raw material the seller has the right to withdraw from the contract. Partial deliveries are admissible. In case of delivery refusal of acceptance we refer to the §373 german HGB.

4. Terms of dispatch

The dispatch is carried out ex stock Illingheimer Str. 10 or suppliers destination on the buyers risk. Packaging is charged to manufacturing costs. Wooden boxes and recycable packaging will be credited at 2/3 of the invoiced price.

Organization and selection of forwarding agents and means of transport is executed by the seller as far as nothing in contrary is agreed with the buyer. The transport risk turn to the buyers site if the consignment is handed over to the forwarding agent.

Transport damages and other risks during transportation are only insured on customer request. The dispatch is executed according to the AdSp (Terms of german transport organization) to the buyers indicated address. The buyer is obliged to check the incoming goods according the §§ 377 and 378 HGB within the time stipulated.

5. Terms of payment

The terms of payment are if nothing in contrary is agreed: Within 8 days from invoice date or with 2% discount after 30 days net. If the due payment date is exceeded it's

the sellers right to charge an interest rate of 5% above the actual base interest rate of the european central bank.

If the buyers credit rating becomes doubtful it's the sellers right to demand immediate payment of the whole debited charged amount.

6. Warranty

The buyer is obliged to check incoming goods according to point 4). Any defects or faults need to be indicated to the seller immediately in written form. Hidden defects and faults immediate after discovery. If the seller doesn't get this indication from the buyer within the due period further claims are excluded. The warranty period is one year based on the invoice date.

In case of any claims it's the sellers right to rework or replace the products up to two times based on agreed leadtimes with the buyer. After an unsuccessful second rework or replace the buyer could withdraw from the contract.

A recourse to the supply chain is only possible if the claim existed already at the day of delivery. All further claims e.g. consequential damages or compensation charges are excluded.

7.Reservation of ownership

The seller remains ownership to the goods until complete payment receipt of the contract and has the right to take it back at any time and is to be considered as a withdrawal of the whole contract. Seizure and other interferences of third parties need to be indicated to the seller immediately in written form.

If the products are mixed up with products not belonging to the seller the finished product becomes ownership to the seller site in relation to the selling product value.

8.Venue

Place of fulfillment for deliveries and dues is our registered office Illingheimer Str. 10, 59846 Sundern, Germany.

9.Final regulation

All agreements beside these terms or any changes of contracts need to be valid the written form. If one of these clauses is invalid or partially invalid it has no influence on the effectiveness of all other conditions.

For deliveries and contracts with foreign countries we refer to the agreement of the United nations for the regulation of international contracts of sale.

10.Validation

The terms and conditons of S&B Beschläge GmbH are valid from 21st October 2002.
