

ATAKÖY *MARINA*

İSTANBUL  TÜRKİYE

N40°58'22"
E28°52'55"

ATAKÖY MARINA, in a driving distance of 10 minutes to the International Atatürk Airport and of 25 minutes to downtown Istanbul, is situated within a huge complex of tourism consisting of two hotels; the 5 star "Holiday Inn Crowne Plaza", and the 4 star "Holiday Inn Marina", one big shopping mall "Galleria", one entertainment and leisure center "Regatta" and "Sports Club International" fitness center.

ATAKÖY MARINA has a berthing capacity for 700 yachts in the water and for more than 100 yachts on land in the slip area equipped with a travellift of 70 tons lifting capacity, where yachts can be maintained and repaired or just docked. A fuel station at the pier supplies gasoil (diesel), gasoline and all sorts of luboil to the yachts.

ATAKÖY MARINA

İSTANBUL  TÜRKİYE

Is the only Marina in Turkey awarded with "FIVE GOLDEN ANCHORS" by the Yacht Harbour Association for meeting international standards
ATAKÖY MARINA also is entitled by the FEEE (Foundation for Environmental Education in Europe) to fly the "BLUE FLAG".

In ATAKÖY MARINA each berth is equipped with a pedestal unit providing facilities for receiving electricity, fresh water, phone and TV. A big parking lot and quasi private car parking places near the yachts are further special features of ATAKÖY MARINA.

Shower rooms, WC's, Laundrette, Marina Super Market, Cafe Marin, First-Aid-Centre, Shipchandlery, Front Office Services as phones, faxes, mail boxes, reservations and bookings for travel, are ayy present at ATAKÖY MARINA which make living aboard easy, comfortable and joyful.

AN ACTIVITY THAT IS COMING TO BE TRADITIONAL...

KAYRA

KAYRA (BLACK SEA YACHTS RALLY)

The first KAYRA realized from 2-27 August 1997 on a route along the Turkish Black Sea coast with the participation of 30 yachts flying flags of 14 different countries. Its purpose is to be come a Black Sea Yacht Tour in coming years.

EMYR (EASTERN MEDITERRANEAN YACHTS RALLY)

In 1998 Ataköy Marina will take its place among the sponsors of EMYR which starts in Ataköy Marina visiting ports in the sea of Marmara, the Aegean Sea and the Mediterranean Sea. After leaving Turkish Waters in the Eastern Mediterranean Sea, EMYR will visit ports in Turkish Republic of Northern Cyprus, Syria, Lebanon and Israel ending in Egypt.

**Yachts entering or leaving the Marina have to inform the Control Tower on VHF channel 73.*
