Ski & Para - Sail

COBRA 7000 Paraboat

**Yeni / New
1990**

COBRA 7000 PARABOAT Yeni gelişen Parasail zevkinin daha tatmin edici en az elemanla çalıştırılıp, para kazandırıcı olması için, dünyada ve memleketimizdeki kullanım alanı ve şekilleri etüd edilerek dizayn edilmiştir. Mini bir uçak gemisini andıran **COBRA 7000 PARABOAT** bir kaptan ve bir yardımcısı ile altı müşterisini sahilten alıp, takribi bir saatlik zaman içerisinde hem bu alı kişiyi uçurur hemde uçmayan müşterilerinin resim ve video çekmelerini sağlayarak bu zaman içerisinde motor gezisi de yaptırmış olur. Parasütle uçmak için **COBRA 7000 PARABOAT**'da geniş platformu sayesinde karaya, kalkış ve iniş için de elektrikli vinç nedeniyle katıyken denize girmeye lüzum yoktur. Tamamen modern bir şekilde dizayn edilen **COBRA 7000 PARABOAT** aynı zamanda istendiğinde su kayığı ve Banana çekmede de kullanılabilen tam bir para makinası ve eğlence teknesidir. Bol kârlı uçuşlar ve iyi bir sezon dileriz.

*Studying the areas and types of parasailing in the world and in our country, **COBRA 7000 PARABOAT** is designed to increase the parasailing taste, and to operate and make more money with minimum personel. **COBRA 7000 PARABOAT** which is in away a mini aircraft carrier can work with one captain and one operator, picking up a group of six at a time from the shore for a duration of approximately for one hour, to give six flights and while not flying she allows the clients to photograph and video each other during this one hour boat ride. When you are parasailing with **COBRA 7000 PARABOAT**, due to built in platform you don't need land to take off, and you don't get wet when taking-off or landing because of the electric operated winch system **COBRA 7000 PARABOAT** which can also be used as a ski-boat and for pulling Bananas is a modern designed real money making machine recreational boat. We wish you profitable flights and a good season.*
