

Charisma

FACTS

M/Y Charisma is a beautiful 120' high performance custom built motor yacht, designed to provide the 21st century charterer with exhilarating cruising, impeccably styled accommodation and comfort combined with the very highest standards of service. Including two decks and a huge flybridge, a generous saloon with a separable round dining area, a split-level master and an arrangement of three guest cabins. M/Y Charisma's interiors are perfect for cruising in the summer months; spacious, airy and with clean modern lines the yacht is extremely elegant and exclusive.

The stylish interiors are complemented by state-of-the-art entertainment technologies, with flat screen televisions, satellite receivers and surround sound music systems situated throughout for those who wish to relax in cool comfort.

For those who prefer to spend their time outdoors the flybridge features a whirlpool, sunloungers, a formal dining area and bar facilities. It is also the best location for sunbathing, alfresco dining and watching the spectacular coast pass by.
